Ukrainians now have the opportunity to learn foreign languages for free on the Akelius platform

It doesn't matter what your level of foreign language proficiency is for studying.

To facilitate adaptation in new countries, refugees are offered to learn foreign languages for free.

The Akelius Foundation, in cooperation with UNICEF, has developed a game course that will appeal to both adults and children. It doesn't matter what your level of foreign language proficiency is for studying. Here you can learn the language both "from scratch" and improve your skills.

Currently, you can choose one of 10 languages:

- English – English
- French - Français
- German - Deutsch
- Greek – **Ελληνικά**
- Italian – Italiano
- Polish - Polski
- Spanish - Español

- Brazilian Portuguese - Português do Brasil

In order to start learning, download the application in Google Play or learn [on the platform](#) .
