Thanks to AKELIUS, learning Greek becomes a 'game'

Dieu, Silamit and Fajer, now feel more optimistic about their adaptation to the Greek school, thanks to the help of the AKELIUS digital course that helped them learn Greek in a more pleasant, easy and interactive way.

See their story and learn more about how the digital language learning platform AKELIUS supports more than 15,000 students mainly with immigrant and refugee backgrounds in learning the Greek language, thus strengthening their self-confidence and their smoother adaptation to a new environment .
