 September is the time when the new school year begins, and with the new education process new classes of learning German language Akelius digital platform have been launched in selected elementary schools of the Una-Sana Canton.

 Students of the second grade of elementary school "Gornje Prekounje" met the Akelius digital platform for the first time this school year.

During a discussion about how they spent their vacation, they learned German words such as vacation or travel, and explored on tablets what else they could learn further through the Akelius digital platform.

 Young schoolchildren got acquainted with teamwork through the first lesson of the Akelius digital platform and said that they are looking forward to new classes to learn new words and use Akelius tablets again.

Akelius digital course for learning foreign languages for elementary school students is being implemented in cooperation with the Ministry of Education, Science, Culture and Sports of the Una-Sana Canton, @ [UNICEF Bosna i Hercegovina](#) and Save the Children for the Northwest Balkans.
